

Overview

Ever imagined what elements make a perfect neighborhood? We did. The Lake View @ Maheshwaram brings together the elements like right location, right ambience, nature friendly environment and confluence of amenities and facilities that make for a healthy urban lifestyle. Lake View offers the best aspects of experiencing the best of city life close to nature. The project incorporates all the facilities to ensure a vibrant community will thrive in a unique design of villa houses with lush greenery and parks. Thoughtful design is not only about mobility and convenience but also about fostering a lively community. We will maintain our promise to sustain and emphasize the natural beauty of the site, so that Lake View remains proof that urban life and natural beauty can exist in perfect harmony. Located in the midst of a buzzing urban metropolis, Lake View offers a natural oasis ensuring a lasting and deep connection to nature.
